ATTN: Official Draftsperson

Sir:

In response to the Notice of Allowability dated October 28, 2003 in the above-identified patent application, wherein new formal drawings were required, consistent with the Notice of Draftsperson's Patent Drawing Review dated October 16, 2003, enclosed and submitted herewith are new formal drawings for Figures 1-9, as approved by the Examiner, which substitute for the originally filed correspondingly numbered patent drawings. The new formal drawings overcome all objections in the Notice of Draftsperson's Patent Drawing Review.

With this submission of new formal drawings, all formal matters relating to the issuance of the application have been completed, with the exception of the payment of the issue fee, which will be submitted under separate cover within the term specified in the Notice of Allowance for this application.

Respectfully submitted,

Steven J. Multquist
